

# THE GUARDIANS OF EASTGATE: BOOK 1 OF THE SEERS SERIES (2<sup>ND</sup> Edition) By Sherry Leclerc

## About the Book

The realm of Sterrenvar is a realm divided by differences, where the inhabitants keep mostly to their own species. When a group of seers are warned through visions of an evil, dark sorcerer intent on ruling the realm, seer champion Maelona Sima must set out for Eastgate to defend a magical keystone that can help protect the realm. Along the way, she must gain allies and convince the differing peoples of the realm to stand together as one to save their world from its biggest threat in three-thousand years.

This new, expanded and revised Second Edition of the Guardians of Eastgate (Seers Book I) includes an extra 12000+ words worth of added dialogue and extended scenes.

## About the Author

Sherry Leclerc is a science fiction and fantasy fanatic who lives in magical realms where swords and sorcery, action and adventure, seers, shifters and sorcerers abound.

A teacher and mom by day, and an avid reader and writer by night, Sherry has a B.A. in Language and Literature as well as a B.Ed. She also has a third dan black belt in Taekwondo, which comes in handy for writing realistic fight scenes.
